## What is ICPC?

The International Collegiate Programming Contest (ICPC) is the world's oldest and most esteemed programming competition and is the ultimate stage for students passionate about coding and problem-solving. ICPC sharpens creativity, teamwork, and resilience—qualities that make a real difference in your day to day and professional life.

Have no worry if you're just a beginner—ICPC welcomes all skill levels and backgrounds, from computer science to biology, chemistry, and more. In today's AI-driven world, ICPC helps you develop critical problem-solving and logical skills that machines can't replicate. It's a space to build resilience, and prepare yourself with skills that keep you relevant, no matter how fast technology evolves.

- Problem Solving Excellence: Dive into the art of solving complex problems under real-world constraints, enhancing your analytical and coding abilities.
- Global Community: Connect with passionate coders worldwide and build lasting relationships with like-minded problem solvers.
- Future-Ready Skills: Develop critical thinking and logical skills that remain relevant in our rapidly evolving technological landscape.
- Inclusive Competition: Welcome to all skill levels and backgrounds, from computer science enthusiasts to interdisciplinary problem solvers.

## Why Amrita?

Amrita isn't just an institution—it's a diverse experience across multiple campuses, each offering something unique. At Amritapuri, you'll be inspired by the tranquil backwaters of Kerala; Coimbatore surrounds you with scenic hills that fuel focus and creativity; and in Bangalore, you're at the heart of India's Silicon Valley. Here's what you can expect at the regionals:

- Expert Organization: Benefit from our extensive experience in hosting ICPC regionals, ensuring a smooth and professional contest environment.
- State-of-the-Art Facilities: Access advanced air-conditioned labs and infrastructure designed to support peak performance.
- Inspiring Atmosphere: Immerse yourself in an academic setting that promotes innovation, collaboration, and technical excellence.

## Exclusive Perks

- Expanded On-Site Participation: We have increased our on-site capacity, offering more students the chance to get selected for the regionals.
- Coach Recognition: Special certificates for coaches who get 5 or more teams registered, recognizing their effort in fostering talent.
- Noteworthy Certificates: All teams who submit at least one solution successfully will receive a certificate of participation.

## How to Register?

1. Form a team: Create a team of three eligible students from your institution.
2. Create an ICPC Account: Visit the [official ICPC website](https://icpc.global/) (https://icpc.global/) and create individual accounts.
3. Register for the Contest: Ask Coach to register by selecting Amritapuri as your preferred region
4. Pay Registration Fee: Complete the payment process.

Please note: There will be a single Preliminary Online Contest for all three Regional Sites in India (i.e., Kanpur, Amritapuri, and Chennai). Each regional site will prepare its own rank list based on the teams registered for that site from the Preliminary Online Contest rankings. Teams participating in multiple regional sites are requested to keep the same team members for each Regional Site.
